We are here after your purchase. Whether you require warranty or replacement parts, we believe having the parts for the bikes we sell important to our customers. Most shops will only sell you a bike, leaving you unable to repair and maintain your purchase. [Parts](#)

50cc or 110cc Mini Blazer ATV Quad for kids has arrived! **It is available in 110cc engine displacements**, featuring a wide range of improvements including new and unique colors schemes, remote start/stop module that is plug-and-play ready, re-engineered rear axle design, EPA approved motor for cleaner combustion and less emissions, upgraded steel frame (now 1.9mm diameter vs previous year's 1.3mm) and much much more!

One feature we really love is the easy-access foot-controlled rear brake, making it easier for children to quickly and safely stop the quad. This sporty mini quad is a durable powerhouse and is a great ride for any youth, featuring available horsepower and rugged, backwoods design. Get your kids into the motor recreation game with their perfect first ride!
